ENGCG publishes a monthly newsletter and it is available online at [www.engcg.us](http://www.engcg.us) under the "Member's Only" section. You must log in to read it. You can receive a printed copy of the newsletter via USPS by signing up through ENGCG Membership. We try to keep club costs down, so reading it online is preferred. If you do not have an email address or a computer then we suggest having the newsletter mailed to your address. Please check the option on how you want to get the newsletter below. Listing your occupation is voluntary and it helps us identify skills which we could use in soliciting help on club projects. OCCUPATION: \_\_\_\_\_

**ENGCG Range Rules**

1. Obey all range rules, commands, and Range Officer directions. 2. Muzzle control. Projectile escape is one of our greatest dangers. Inadvertent discharge and an uncontrolled muzzle will contribute to this hazard. Always keep the muzzle pointed in a safe direction. 3. Shoot only at authorized targets. Unapproved targets include; glass, the in-ground target holders, the large number boards (1-15) on the north end of the 600 yard range, or steel beams for silhouette stands. 4. Do not fire at any object or target which might cause a ricochet. Targets placed at or near ground level are not authorized without a proper backstop. You must maintain the proper target height to ensure that the projectile hits the desired portion of the berm after passing through the target. 5. No alcohol consumption before or during shooting. 6. No tracer ammunition. For safety reasons armor piercing or steel core ammo should not be fired at any steel targets (this would include the gongs and the target rails). 7. Bump fire, simulated auto and legal full autos (NFA firearms) are allowed only on pistol bans 5, 6, and 7 if done safely. NFA firearm owners should be ready to show the Range Officer the documentation for the firearm. Except for suppressors, the Range Officer should be notified at sign-in that a member or guest will be firing an NFA firearm, full auto, or bump firing. 8. No exploding/binary targets (ex: Tannerite). 9. No guns based on .50 BMG ammunition. 10. Loaded firearms on an active firing line only. Loaded firearms are not permitted on any other part of ENGCG property. Exemption; Concealed carry by permit holders is allowed on the range. Concealed weapons must remain concealed unless on an active firing line. 11. No hunting on range property. No killing, hurting, or harassing wildlife on range property. 12. No driving off the roads on any of the ranges except when authorized by the Match Director or Range Officer.

13. When anyone is down range, do not handle firearms or any equipment on the benches, or be in the firing line/bench area where firearms are present. 14. Know where others are on the range at all times. 15. During a cease fire, remove any magazines, completely unload all firearms, open the actions, and ground or bench all firearms. The use of Empty Chamber or Open Bolt Indicators is highly recommended. 16. You are responsible for the behavior and safety of your family and guests at the range. The \$5 guest fee must be paid for each shooting guest who is not a member of the immediate family, or family 17. Clean up all brass and steel cartridge cases (except .22 rimfire), dispose of all trash, and remove items brought to the range. 18. No drones shall be launched or recovered from ENGCG property - unless prior approval is obtained from the BOD.

*For Club use Only (leave blank)*

**\*\*NRA Membership is a mandated requirement specified in the ENGCG By-Laws. Non-compliance will result in forfeiture of range privileges until membership in the NRA is re-established. You will have to verify NRA membership expiration date yearly at renewal time, unless you are a LIFE NRA member.\*\***

**I acknowledge as a member of ENGCG, I am not authorized to share the ENGCG gate combination or my membership card with non-members including immediate family members. I also acknowledge I am responsible for all guests (limit of 3 per visit) and have read the ENGCG range rules.**
